TAA MADE CONNECTIVITY SOLUTIONS FROM C2G

C2G specializes in providing TAA compliant products for work spaces, conference rooms, and classrooms. Choose from a wide variety of TAA compliant Cat5e/Cat6 cables, conference room solutions, and power cords.

TAA compliant products are those that are manufactured or "substantially transformed" in the United States or in a TAA designated country with which the U.S. maintains a trade agreement and regards as a reliable or acceptable procurement source. Legrand | AV's TAA compliant products are approved to be used in United States government projects and facilities.
